Summary of Previous State Board of Education Discussion and Action:

The State Board of Education has taken action on many waivers regarding Nonpublic School Certification. The Special Education Division has adopted guidelines to assist staff in the review of these requests.

Summary of Key Issue(s):

- **Total Education Solutions (TES)** failed to submit an application update for 2003. Application updates are due to the Office of Nonpublic Schools and Agencies between August 1 and October 31.
- TES has been a certified nonpublic agency since 1999. They have gone through the annual renewal process three times. This is the first time they have failed to submit an updated application. TES missed the application deadline due to a misunderstanding of the certification process, **and they have since submitted the renewal application.**
